

ANNIE SUMMER CAMP

a Musical Adventure

**FROM TUESDAY 1 JULY
TO SATURDAY 5 JULY**

**FOR YOUNG PEOPLE
AGED 6 TO 10 YEARS**

A new day is always ready to start...and we can be together!

The right moment is NOW !

Annie Summer Camp

You're never fully dressed without a smile!

Dear parents, here we are with our New English Summer Camp!

GENERAL DESCRIPTION

The Annie English summer camp aims to create and develop in the participants a certain "confidence" with the foreign language, so that they do not have to be intimidated by it and see it rather as a game, or a challenge in being able to communicate with a different language from their mother tongue.

This year before Annie's beginning, we will meet four times in June to start learning about this story... the scheduled dates are...every Saturday morning 9-12 to get involved into the plot!

TEACHING

How can children be introduced to a foreign language in just a few days so that it can leave positive emotions into their hearts?

The camp is based on the values in which the children recognize themselves, which they have 'inside them'. We therefore chose to rely on a story because in each of us there is a hint of a new adventure.

Thinking about which story could best engage our little ones, we can ask them: What are your dreams for the future?

What are some ways that you can make the world brighter tomorrow?

Let's find out exploring the best possible ways together!

Adventure is waiting for us! With the "Annie" theme, children can unleash their imagination and set off to discover how is exploring a big world!

TYPICAL DAY

The morning games, songs and activities with precise didactic intentions, but without books, are complemented by afternoon activities that meet the needs and potential of the educational farm, we will talk always in English.

What could be a typical morning for your children?

The morning routine is very helpful for our well-being. Children love routine. Small rituals add security and comfort to the start of the day. We all have small rituals that we practice every morning. We will start the day with an initial greeting in which we will allow ourselves a quiet moment and warm up our bodies to face the day.

We will then get into the swing of things ready to discover how Annie and her friends lived in New York, how she was engaged with the world out there, how they played, how they sang and how they danced. We will do art and crafts workshops to build a logbook and equipment that will accompany us on a daily basis to feel like real characters within the story.

No lectures, but action, movement, discovery, listening, involvement and fun will characterize each day as if we were guests of an (Anglo-Saxon) American family living in the (British) USA.

WHERE WE ARE

We are immersed in an oasis of greenery in the middle of which, the agritourism and educational farm with 30 years of experience, are the starting point for many outdoor activities; from looking after animals, to interacting with them, to walks, treasure hunts. recognizing spontaneous flora and adventures in the meadows and woods that surround us.

Annie English summer camp is also an opportunity, for those who have not yet experienced it, to spend a couple of days away from home, because on Thursday and Friday the children will be able to stay at our farm in a particularly intimate, familiar and safe environment immersed in an atmosphere of yesteryear.

How to get there: From Parma exit no. 15 of the ring road, for Langhirano, then Tizzano Val Parma. Exit Tizzano and take the road for Casola. After 2 km, you will find the Casanuova agriturismo on your left.
